

## Angel of Light

- ◇ Equipment: Angel shape, pens, tape
- ◇ Set up: Print the angel shape, and cut it out (put it onto card if possible)
- ◇ Instructions: Is someone you know going through a difficult or a 'dark' time?

As you decorate the angel shape, think about the person.

What would bring light into their darkness today?

What would you like God to do for them?

Tape the angel to the light switch or the pull cord in your bathroom as a reminder to pray for them whenever you turn on the light.
